

Scholarship Application

Authors with significant merits and/or financial hardships will be considered for limited assistance to supplement costs associated with attending the conference.

Assessment criteria:

- Relevance and benefit of attendance for the MJD research community
- Benefit to the applicant in terms of career development (early career researchers/students)
- Track record in publication around MJD
- Plans to publish around MJD
- Funding support from other sources
- Acceptance of abstract for this conference

If you would like to apply for a conference scholarship, please complete this form by 15/05/2015 and return to MJDConf@vevents.com.au
